

NOSA Boat Share Program

NOSA's boat share program is an opportunity for NOSA members to use NOSA sailboats during the sailing season. The Boat Share additional fee covers the added boat maintenance costs incurred by NOSA and represents a cost equivalent to moorage of a similar sized dinghy at NOSA's Paddle Wheel Park site.

The boat share fee is \$110 (in addition to regular NOSA membership).

Boat Share Fleet

There are 6 boat types available for boat share use. These include:

Lasers
PICOs
Flying Junior

Club 420
Quest

All Boat Share boats are specifically marked for boat share use.

***NOTE:** Learn to Sail classes have priority when using the boats. It is a good idea to call ahead to ensure there is a boat available for you.*

Minor Repairs and Losses

All boat share members have access to a 'boat first aid kit' that contains a supply of small parts that commonly go missing from boats. Members will note in the log book any removals from this kit so that the kit can be re-supplied.

Boat Share Director

A boat share member will sit on NOSA's board of directors to represent boat share interests and concerns. This director will be the first point of contact for reporting problems, losses and damages to boats.

The Boat Share director is: Doug Young Email: dyoung33@telus.net

Minimum requirements for using the NOSA Boat Share boats

	Minimum Qualification	Boats	Restrictions
Adults Members and LTS Students	CanSail 1	Quest 420 FJ PICOs	Crew: With CanSail 2 Skipper Anytime Skipper: At Club Events or Under Instructor Supervision

Boat Share Responsibilities

Qualified Boat Share member is in the boat acting as skipper.

- **Do you have the experience to sail in the present winds? If not, do not take it out.**
- **Do you know how to rig the boat? If not, do not take it out.**
- **The Coast guard requires a bailing bucket and paddle on the boat.**
- **NOSA requires you MUST WEAR A LIFE JACKET AND A HELMENT.**
- **Tell somebody where you are going and when you will be back.**
- **Log your use of a boat in the Boat Share Log and report any equipment problems to the Boat Share Director**
- **You are responsible to report losses and damage to boats**
- **YOU AGREE to be responsible for significant boat damage or loss.**
